IT IS UP TO US

AND THE TIME IS NOW.

When the efforts of our society to find solutions fall short of addressing the root of the problem... it is up to us, the people of faith, to step up and address the issue.

This is the time we have been called for.
This is our collective vision, this is our humanitarian mission, **this is God's dream.**

THE

DREAM FUND

TRANSFORMING
SOLUTIONS >
TEMPORARY
SOLUTIONS

It is with these goals in mind that we have established the **Dream Fund**, created to support and facilitate the ongoing solutions that the Dream Center makes available to people affected by these issues head on.

The **Dream Center** has been serving the short and long-term needs of many hurting lives and communities since 1994.

As a body of Christ, we know that without the transforming power of Jesus, these solutions can only be temporary.

It is only the love and power of **God** that **heals, frees, and transforms** spiritually, mentally, physically, and emotionally. When given the opportunity and support, **hope is possible**.

We have seen that a holistic approach is the best approach for lasting change.

Someone facing the demon of addiction.

The young man who made some mistakes and wants a fresh start.

“

I've always been a hardworking man but money for food has always been very little. Since hearing about the Dream Center, I have received food from them at least twice a week. I'm thankful that God works and provides through places like the Dream Center.

”

**ADOLFO CASTELLANOS,
MOBILE FOOD BANK CLIENT**

“

While in the Connections program I began resourcing the Dream Center's Adult Education Department, which provided me access to free GED classes, which I now attend five days a week. In the future I plan on going to college to become a social worker. I'm going to take the skills and knowledge that I've gained here at the Dream Center and use them to reach my dreams. I plan on starting a family that serves God in their household.

”

**ROCIO MACIAS,
ADULT EDUCATION PROGRAM CLIENT**

“

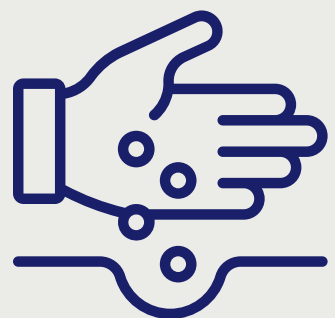

Growing up, I was abused mentally, physically, and verbally. I started taking meth and it quickly took me down a dark path. I was homeless and addicted. At the Dream Center, I was given a safe place to heal and restore my relationship with my family. I'm enrolled in college now for Drug and Alcohol Counseling. I'm going to work at the shelter where I first went before coming to the Dream Center.
